

**Sean Cornell**

*sean@seancornell.io | +1 (831)-521-9285 | Monterey, CA | <https://seancornell.io>*

## Education

**Monterey Peninsula College**  
*Chemistry*

Monterey, CA  
*June 2022 | Present*

## Skills

**Web Development - Frontend** SvelteKit, SCSS, TailwindCSS, React Native, Vue.js

**Web Development - Backend** Express.js, Node.js, SQL

**System Administration** NGINX, MariaDB, MongoDB, Docker, Kubernetes

**Other Languages** Lua, C/C++, Java, Typescript

## Contributions

**Kukita** Javascript, MongoDB

*<https://github.com/sp00p/Kukita>*

A bot for discord that has moderation and other miscellaneous commands. Formerly in over 500 servers.

**scl** C

*<https://github.com/sp00p/scl>*

My implementation of a CHIP-8 emulator.

**pathfinder** C++

*<https://github.com/sp00p/pathfinding>*

An app I made for my CSIS 10C class. It currently only supports Dijkstra visualization and uses SDL2 for graphics.

**farting.lol** JavaScript/TypeScript, Express.js, TailwindCSS, MongoDB

*<https://farting.lol>*

A proof-of-concept image hosting site mainly aimed towards discord users. The domain was given to me by a friend so I just ran with it.
